Yes, but since its national - who else do we need to loop through?

For both NBC calls

Bonnie,

This would seem to fall into the realm of emergency response. Will you be handling these inquiries?

Let me know. Thanks,

David

Good morning David,

I am working on the chemical spill in Charleston. Are you handling that for the EPA? Is there someone at

the EPA I could talk to to get some information?

Thanks so much,

Anne Thompson
